Holy Mother Wisdoms Warning and Seal, unto her people whom She has marked in their foreheads, with the name of Almighty God.

Give ear, all ye my chosen people, and hearken unto the Solemn warnings of your Holy Mother!

Know ye all my people, I am as one with the Almighty God. I am Holy Wisdom, who have ever set upon the Eternal Throne of God, from

the begining; and of all things that were created, I have ever borne witness of the Almighty Eternal Father.

Therefore I am the Eternal Holy Mother, the wisdom of the Almighty, whose power does all things command, and whose word cometh even out of my Mouth. Therefore I warn you; all ye my people, to hearken unto and obey my word, which is unmoved and altereth not.

I Holy Mother Wisdom, am sent forth, with the Almighty Power, upon earth, to judge and set a mark upon the true children of my only

begotten Son, the Saviour and Father of the new Man, and of my only Daughter, the blessed Mother of all the fallen race of man, whoever have been or ever shall be redeemed unto the Almighty God.

O my people! I have indeed marked you with the name of Almighty God in your foreheads, never to be bloted out thro time nor in eternity. Nay, never, if you will be my people, and bow and bend in obedience to the Holy will and order of God.

O my people, take warning for truly I have marked you

with a mark that shall never be blotted out. And if ye are faithful, and walk in obedience to the Holy Laws of God, and bow to the Order which he has placed before you; your love will increase, and draw you near to me; your Holy Mother.

And the mark which I have with my finger marked with the love of God, will shine brighter in brightness, thro all Eternity. But if ye my people rebell against me, and cease to yield subjection to the orders of God, your love will by degrees, become hatred; and thus you will wither and die, and like

a dead branch, fall from the Tree of Life.

For unto you, O my people, is given great light. And by me Holy Wisdom, is the order of Heaven revealed unto Mortals.

Yea the Holy Laws, which are the word of God, have passed out of the Mouth of me, Eternal Holy Wisdom, and gone forth into Zion upon Earth.

And the Holy order of Zion which is given in the pure light of God, hath passed forth thro his anointed Ones, Father Joseph and Mother Lucy.

Yea, these two, as one, have

& my self, (Holy Wisdom, who am as one with the Almighty God) appointed and anointed with power and wisdom, and clothed them with the pure light of God, to build up and establish a wall to surround the Zion of my glory on Earth.

Hear, all ye my people! For this is my word spoken, which altereth not. Know ye not that those Orders, which my anointed have here established, is the wall in which Zion is enclosed? Yea and this wall is builded in wisdom, by the Almighty Power, to protect my people whom I have marked,

from the adversary of Souls;
and to prevent them from be-
ing mixed with the children
of this world.

And upon this wall is
the light of God set.

O my people give ear and
understand. Truly it is by
Eternal power and wisdom
that this wall is erected and
fortified against the enemy
without. For thus is spoken the
word of Almighty power, which
hath passed forth out of the
mouth of Holy Wisdom thus:

Altho great is the power of the
adversary of Souls, yet with all
his power and forces, he cannot

break down this wall upon the outside, nor put out the light which is set thereon, to protect and direct my people.

But O, my people take warning! for the Almighty, in his wisdom, hath not withheld from you, my people, my people, within this wall, the power of doing this thing; to make vacancies therein, and thereby give place to the enemy.

Therefore I warn you, lest by small degrees, ye put out the light of God which is set upon your wall. Yea, I Holy Ghost have forbiden, that ye my people should ever shake this

wall; that ye should judge
or slight from the greatest even
to the least of these Holy Orders.

For if ye give way to such
little things, (as ye call them)
you will surely put out the lig
ht of God upon your walls.

Remember, all ye little
ones, that if ye break the least
of these Holy Orders, you pull
down a small stone from this
wall, which gives place to a
larger one, and makes that the
easeier to pull down also.

Thus have I often beheld your
wall broken.

Therefore, O my people!
I warn you, with a Solem~~n~~

warning, to be watchful and exceeding careful, lest the holy light which is set upon your walls, be put out and lest, while in darkness, ye bring again, within the wall of Zion, any of these things which this light has cast out, and which the Holy order of God forbids ever to be again brought in among my people.

Now my people, hearken unto my voice, and take warning; for I am your holy Mother Wisdom, who have set this righteous mark in your foreheads, never to be bloted out. Be careful, lest ye rebell

against the Orders of God, and your love become hatred; lest your light become darkness, and the name which I have marked in your foreheads, with the love and brightness of God, be turned into hatred and darkness, and you be found marked for Satan the Adversary, never to be blotted out.

Thus saith Holy Mother to the Ministry. O my beloved Anointed Ones, receive this warning and with it also my blessing, thanks and love.

And if it meet your approbation, cause it to be read

within the hearing of all my people whom I have, or ever shall mark with my name; for my spirit is troubled for many of them.

From Holy
Mother Wisdom
To the Ministry.
